POOL DETAILS

Automatic Pool Cleaner		Supply Chemicals	
Salt Chlorinator		Pool Type	
Weekly Contract	R 188.00 Incl VAT per call	Fortnightly Contract	R 228.00 Incl VAT per call

The contract will run for _____ months and commence on the _____

WE WILL

1. Vacuum the floor, brush the walls, backwash the filter and clean the chlorinator cell (if applicable)
2. Empty the pump and skimmer baskets
3. Test the water and add the necessary chemicals
4. Supply and deliver all chemicals and equipment required (payable upon presentation of invoice)

THE CONTRACT DOES NOT ALLOW FOR

Repairs and or replacement of filtration, chlorination and cleaning equipment or underwater lights. Our Maintenance Team will however attend to such items and payment for such is done on a C-O-D basis

YOU ARE REMINDED TO

1. Chlorinate the pool daily and ensure that the filtration and chlorination systems are functioning
2. Ensure that the pool is filled to the correct level and that there is access to the pool area. If the pool is not full enough or we do not have access, we reserve the right to levy the normal charge for such a visit
3. During excessively hot weather or if the bather load increases, let the pump run for 24 hours and add an oxidiser
4. In the case of a Fortnightly contract, you are required to clean and chemicalise the pool in the weeks that we do not service it

Should you wish to make any changes to the contract, it must be communicated in writing

I hereby accept the above contract. Please sign and fax back to 086 – 636 4985
